"I have never witnessed anyone so full of belly-laughter wisdom along with deeply-illuminating truth of our shared stories. Vicki shines the light on our common humanity like no one else on the planet. Don't miss any opportunity you can to experience this amazingly talented and brilliant soul —she will change the way you see!" ~ Marcia Jaffe, Founder/Chair of the Bali Institute for Global Renewal

"Vicki is the most positive person I have ever known. She brought our conferences literally to their feet and got them singing and doing sign language. I couldn't believe it! She is the heart and soul of AISA." ~Miffie Greer, Association of International Schools of Africa

"Vicki's messages of self confidence and tolerance took the group by storm and in no time she had the crowd participating with enthusiasm. The reviews from the event were wonderful and Vicki played a huge part in the day's success. If you are looking for someone to motivate, inspire and entertain then I certainly would recommend Vicki Hannah Lein as your next keynote speaker." ~Jan Hiatt, Women's Health Pavilion, jhiatt@peacehealth.org

The Power of Play in Health Care

“I have never witnessed anyone so full of belly-laughter wisdom along with deeply-illuminating truth of our shared stories. Vicki shines the light on our common humanity like no one else on the planet. Don’t miss any opportunity you can to experience this amazingly talented and brilliant soul -- she will change the way you see!” ~Marcia Jaffe, Founder/Chair of the Bali Institute for Global Renewal

“Vicki’s sense of humor is attached to life and her songs are relevant. You come away from Vicki’s presentations with a good feeling and thoughts she shares keep popping into your mind for weeks afterward. A very good use of training time.” ~Twyla School, VISTA Volunteer for Start Making A Reader Today (SMART)
